Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Sunday 10 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain, heavy in west, turning to snow before clearing Monday.

This Evening and Tonight:
A cloudy evening and night with further rain, heavy and persistent in west but lighter, patchy towards Inverness and Easter Ross. Mild and windy, but turning colder over the far north by morning. Minimum temperature 2 deg C (36 deg F).

Monday:
Cloudy with further rain, heavy at times in west. Turning to snow over parts of north and east Highland before turning clearing later leading to an icy evening. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:
Mainly dry, sunny, cold on Tuesday with light winds. Rain preceded by snow on hills crossing all parts on Wednesday. Drier, brighter Thursday with scattered showers and strong northwesterly winds.
